

## Terms of Service - Moodmetric Cloud

Last updated 10.1.2020

The Moodmetric smart ring measurement data is transferred to the Moodmetric App, and from there to the Moodmetric Cloud, should the User want to login to the Cloud. A user gets all the benefit of the measurement with the ring and app only, use of the Moodmetric Cloud Service is voluntary.

The Cloud Service enables storing and easy long term viewing of the measurement data. To use the Cloud Service, the User need to accept this Agreement.

### Creating an account

In order to use the Moodmetric Cloud Service the User needs to register and create a personal account. The process of registration requires a consent to this Agreement and provision of name, email address and an individual password. Registration to the Moodmetric Cloud Service is completed when clicking the confirmation link in the email that will be sent to the given email address.

Moodmetric can decline creation of accounts that are aimed at non-intended or non-ethical use of the Cloud Service.

The User is responsible of the security and confidentiality of the password and the devices and network the User uses to establish the connection to the Moodmetric Cloud Service.

### Using the Moodmetric Cloud Service

The Moodmetric smart ring measurement data can be synced to Cloud any time the User wants. Thereafter the data is visible from the Cloud view, from desktop or mobile internet browser.

The Cloud User is entitled to use the services and content Moodmetric provides. Using the Service (and/or providing input information) does not give the User any legal right, title or interest in the Service or the Software.

The Software may automatically download and install updates and upgrades from time to time without further notice to you. These updates are designed to technically improve and/or enhance the Software and the Service. The User agrees that Moodmetric may automatically deliver such updates and upgrades as part of your use of the Service.

Moodmetric does not assume any guarantee or specific liability as to the interpretation of the content in the cloud. The Moodmetric smart ring and the measurement data is meant for recreational purposes only. Vigofere Oy's products are not medical devices and should not be used to diagnose or treat any medical conditions.

## Termination of the Agreement

The User can stop using the Moodmetric Cloud Service any time. Should the User wish us to permanently delete the Personal Data being held by us, we will do so upon your request. In such case you understand, that we will not be able to provide the Service to you anymore.

Handling personal information is described in detail in this document:

Privacy Policy in English <https://www.moodmetric.com/privacy-policy/>

in Finnish: Tietosuojaseloste: <https://www.moodmetric.com/fi/tietosuojaseloste/>

By using the Moodmetric Cloud Service, you agree to the collection and use of personal information in accordance with our Privacy Policy
